COMMUNITY COMMITMENT

The Galston Club (or the GC as commonly known) has been a community staple for 52 years and we have worked hard through the recent crazy Covid 19 pandemic to keep supporting our local community and loyal club members.

The GC has deliberately reinvested into the club during a time when other establishments were closing up and waiting out what was no doubt a very difficult time. Our commitment to the community over the last two years has been rewarded with growth in membership, growth in annual turnover, and a general uplift in reputation and patronage.

We are very proud of our position in the Community, however we do not want to rest there. The GC is just getting started with a new level of community engagement.

COMMUNITY ENGAGEMENT

COMMUNITY SUPPORT - GIVING BACK

The GC is in an enviable position to be able to invest in and support other local clubs, volunteer services, societies, and charitable organisations. In the last two years alone, we have supported over 15 external initiatives to an approximate value of \$55,000.

If you are a sporting club, a school, a local charity, or another community service provider, we would welcome the opportunity to consider a range of support options including donations for one off community events through to annual sponsorships.

CONTACT US

If you think we can help, please contact the GC via the following email: info@galstonclub.com.au.

AND BACK HOME SAFELY!

The GC runs a free and friendly courtesy bus which is available to all patrons at set trading times. It runs often and is seen by many as part of the Club and the wider community.

It is time that we branded our currently white courtesy bus and we are looking for annual partnership companies or organisations who would like to sponsor the bus in return for advertising space on the bus.

Sponsorship / Advertising spaces will be offered on an annual basis (likely July-June), with preferences for long term partnerships.
